

## ICT INITIATIVES/PROJECTS IN UGANDA SURVEY QUESTIONNAIRE

The UgaBYTES Initiative is working with I-network Uganda to develop a National Directory of ICT initiatives, projects and contact persons in Uganda. This process is aimed at facilitating information sharing and overall advancement of ICT development in the country. We thank you for accepting to take part in this exercise.

This questionnaire is concerned with projects, initiatives, telecenters, community radios and any other related activities. Please take some time to respond to this short survey.
