

UGANDA ICT RESOURCE PERSONS SURVEY QUESTIONNAIRE

The UgaBYTES Initiative is working with I-network Uganda to develop a National Directory of ICT initiatives, projects and contact persons in Uganda. This process is aimed at facilitating information sharing and overall advancement of ICT development in the country. We thank you for accepting to take part in this exercise.

Through other contacts you have been identified as a key resource person in the ICT development process in Uganda. Please take some time to respond to this short survey.
